Newsletters and updates:

To keep costs to a minimum , the preferred method to communicate is via e-mail. Most of you are fine with receiving the communication in this format. However I am still having trouble with a couple of e-mails that consistently get returned. If you change your e-mail address it will be important to let me know, this is so I can update Stoneliagh for their records and also for you to receive the latest news.

Send me an e-mail to : Harvey.tracey@tiscali.co.uk

We will continue to post out letters to those only with no electronic addresses , but let me know if this changes.

Please can you all send me any News Items or interesting facts etc for inclusion in the next Newsletter.

Look forward to seeing you all again soon in 2012.
